### STERILIZED BARBER SHOP.

#### A Famous Shop in the Carrollton Hotel Baltimore, Maryland.

The barber shop in the Carrollton hotel, Baltimore, sterilizes everything it uses in the shop. The sterilizing is done by heat. The towels, the razors, the strops, the soap, the combs and brushes are all sterilized before being used on a customer. Where there is no sterilization, have the barber use Newbro's Herpicide. It kills the dandruff germ, and it is an antiseptic for the scalp, and for the face after shaving. All leading barbers everywhere appreciate these potent facts about Herpicide and they use it. "Destroy the cause, you remove the effect."

### FRIGHT CURES PARALYSIS.

#### Woman Lame Forty Years Walks All Right After a Scare.

Jhildadelphia, Sept. 12.—For forty years Mrs. Emily Van Dyke was unable to use her leg, she having met with an accident which partially paralyzed the limb. Today she started to market as lame as ever, with the aid of crutch and cane, accompanied by her pet dog Fido.

They met the city pound wagon and one of the dog catchers made a dash for Fido. The animal ran to his mistress and in his rush knocked her down. She was taken to the hospital, where it was discovered that the shock and fright of the dog catcher's sudden advent had started the circulation in her injured member. Now she walks as easily as ever.

### Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long siege like this will pull down the strongest constitution. One Minute Cough Cure will break up the attack at once. Safe, sure, acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. B. H. Briggs & Co. and J. H. O'Reilly & Co.

### WEDS SISTER IN LAW.

#### He Is 75 Years Old and She Is 80, and Rhinebeck Is Astonished.

Poughkeepsie, Sept. 12.—Robert M. Green, 75 years old, and his dead wife's sister, Mary I. Green, 80 years old, both of Rhinebeck, are receiving congratulations from their friends in that village on their marriage.

The wedding was a complete surprise to the entire village. The bridegroom is a well to do farmer and has five grown up children. His wife died about three years ago, and, while he was always friendly with her sister, the village gossips would have it that she would be married to G. V. M. Rapely, a retired actor, for whom she had been housekeeper for the last ten years.

The bride is yet an active woman, despite her advanced years.

Foley's Honey and Tar is peculiarly adapted for chronic throat troubles and will positively cure bronchitis, hoarseness and all bronchial diseases. Refuse substitutes. Sold by Alvarado Pharmacy.

### WANTS LAND OFFICE.

#### Deming Claims to Be Better Located Than Las Cruces.

Deming is asking the removal of the United States land office from Las Cruces to that town. Petitions circulated all over the district are being numerous, signed, and the people at Deming are very confident of the success of the movement.

The showing made in the petitions addressed to the secretary of the Interior is taken from the recent report of Hon. Nicholas Galles, register of the land office, and sets forth that the counties of Socorro, Sierra, Grant and Luna have still open for location 14,653,308 acres of public domain and that these lands are nearer to Deming than to Las Cruces cannot be denied, while taking the counties of Luna and Dona Ana with only 4,543,636 acres remaining open for location and settlement leaves the situation as follows: Deming has over 14,000,000 acres of land nearer to that town as against a little over 4,000,000 apparently nearer to Las Cruces. Much of the land in northern Dona Ana county is more convenient to Deming than to Las Cruces, and all of the county of Otero, taking into consideration the connection made by the trains at El Paso, is nearer and more convenient to Deming than to Las Cruces.

The petitions recite that the change would be of great benefit to the public and would expedite the business of settling up and acquiring the public lands and enabling people to transact business without being compelled to travel hundreds of unnecessary miles, as is often the case at present.

### Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequaled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. B. H. Briggs & Co. and J. H. O'Reilly & Co.

### KILLED HIMSELF.

#### Ill Health and Despondency Leads Wm. Watson to Suicide.

Yesterday The Citizen published a brief account of the suicide of William Watson. Fuller facts are found in the following article taken from the Silver City Independent:

William Watson, an old time resident of Grant county, committed suicide at the house of his son in the Upper Gila precinct last Thursday evening.

Mr. Watson has been in ill health for some time past and was very despondent in consequence. Five years ago to a day on the date on which he killed himself his wife died. He grieved so much over her loss that his trouble seemed to affect his mind and it is presumed that the anniversary of the event so vividly recalled his misfortune that he determined to put an end to himself.

He went to the house and securing a six-shooter, shot himself through the head. His aim was deliberate and death was instantaneous, the bullet tearing off the top of his skull. Members of the family who were on the outside and heard the shot rushed in and found him lying on the floor.

Deceased was a man over 60 years of age, and has been a resident of Grant county for many years. At the time of his death he was making his home with his son, Frank Watson. Other
